To the kind attention of: Vets in Action.

Dear members of the council,

After your last visit in Serifos island, we would like to thank you for your kind help to the municipality of Serifos during the last six years, by sterilizing a very big amount of stray cats! In order to be exact and due to our co-operation, the impressive number of about 1.400 sterilizations of stray cats is accomplished!

Furthermore, we want also to thank you for all of your kind donations in food and equipment for our vet practice!

We strongly believe that with the future help of your organization, we will be the first Greek island with zero unsterilized cat population.

Yours sincerely,

THE MAYOR OF SERIFOS

REVINTHIS KONSTANTINOS
